Subject: PER Citizen Complaint

While minding my own business being a good citizen at a Rotary / YMCA fund event tonight (Sat), I took a moment to say hello to a WPNC Board member (Nora MacLellan [310-310-7728](tel:310-310-7728)) that I've worked with for several years. She was "on fire" about "poor LAPD response times in PDR" and asked if I was coming to the meeting with Councilman Bonin on Tuesday, as I recall? "No, what's up." "We are so upset and the SLOs gave me a run around about poor response times in PDR." She has specific examples and some kind of video. I suggested that she should raise her concerns with Captain Alberca. She remained somewhat angry on this topic. I thought you might want to reach out to her. In my experience, she can be a bit of a loose canon but may settle down when shown the facts. FYI.
